## 1 Announcements and Remarks

- Interviews were conducted for the post of festival coordinators of the Technical and Entrepreneurship festival of I.I.T. Kanpur and the panel recommended the names of Anurag Srivastava and Mayank Sachan. It was pointed out that the information regarding the decision of the panel should have been circulated on the student's list in advance and hence a provisional ratification would be done subject to comments from the general body. Concerns were raised by some senators and general body members and the meeting was held closed door to address them. The names were provisionally ratified.
- The senate welcomed the Gymkhana Executives of IIT Rajasthan who were present in the senate meeting as observers.

## 2 Discussion on the report of the students' senate committee constituted to propose self discipline mechanisms and restructure student festivals

The report formulated by the committee constituted in the Emergency Senate Meeting was deliberated and debated on. The following points were put on the senate floor.

- A preamble should be appended to the report which mentions the philosophical belief of the students' senate on the issue and a brief introduction to the report.
- The senate had previously had the powers to manage student festivals however implementation difficulties were relevant.
- Financial matters - The senate opined that it should be preinformed of any expenses in the festival whenever possible. In case a preinformation is not possible, a post information should be provided. Pending buffer amounts should be informed to the senate.

The senate accepted the report and requested it to be sent to the administration with the appropriate changes.

## 3 Any other item with the permission of the chair

- Ratification of the dates of Galaxy -  
The cultural secretary proposed a set of dates for Galaxy and a request was made to the senate to ratify the same. It was also pointed out that the dates of Icarus were not ratified by the Senate despite it being completely organised by the students. The senate felt that the Galaxy dates should be decided in consultation with other General Secretaries also. It also concurred that it would be best if this is done in synchronization with the gymkhana calendar. The senate was informed that since preparations are already underway for Icarus, no changes can be made to the dates of Icarus. Hence the dates of Icarus were noted down and a Gymkhana calendar is awaited.
- Involvement of I.I.T. Rajasthan students in Students Gymkhana.  
This agenda was deferred to the next meeting.
- Admission in the Central School for children of Mess workers  
It was pointed to the senate that the children of the workers of I.I.T. Kanpur were allowed admission at the Central school except those of the mess workers. The President was asked to enquire on the issue and get feedback regarding the same.
- Summer Mess establishment fee  
It was brought to the notice of the senate that a mess establishment fee of Rs. 1800 has been levied on all students staying in the institute during the summer vacations. It was also noted that the feedback of the senate was never sought on this issue. An assurance was given to the General body members by the senate that the issue would be discussed in the next Hall Management Committee Meeting.
