Item No. 1	Ratification of the Minutes of <ul style="list-style-type: none">i. 2012-13/2nd (Emergency) Meeting held on 27.08.2012ii. 2012-13/5th Meeting held on 03.09.2012iii. 2012-13/2nd (Special) Meeting held on 24.09.2012
-------------------	--

The draft Minutes of the Meetings were presented by the Convener for the consideration of the Senate.

The following changes were noted:

- The date of the 2012-13/2nd (Special) Meeting was corrected as 24.09.2012 instead of 23.09.2012.
- The attendance record of Ankur Atul Agarwal, Senator UG 11 for the 2012-13/ 2nd (Special) Meeting was changed to "Present" from "Absent" as there was evidence that he was present in the meeting and had forgot to sign the attendance sheet.

The Minutes of these Meetings, with the above-mentioned changes were ratified by the Senate.

Item No. 2	Announcements and Remarks, if any
-------------------	-----------------------------------

- The Convener announced that in 2nd meeting of the session 2012-13 of the academic Senate held on September 27, 2102, a decision was taken that every instructor should inform each student marks in each component of the evaluation, the relative weights of each component and the total until then before the last week of classes in every semester/summer term (except obviously the end-semester marks). Based on the discussion held in the academic senate over this issue, the Convener and the President also suggested that students should take care that they do not leave for home before checking the end-semester marks in each

subject as only then, students can be more aware and point out any discrepancy that may arise in grading.

- The Convener also announced that the Steering Committee in consultation with the Parliamentarian, Students' Senate opines that the Agenda item "Questions and Remarks" is meant for asking questions, and should not be used for discussions of any kind. However, if the person asking the question is not satisfied with reply and wishes the senate to have a discussion on the same, he/she should submit it as an agenda item for the next meeting.
- The President, Students' Gymkhana announced that contrary to the common perception, there is actually no subsidy in the mess charges of any IIT Kanpur student. Further, on an average the amount that a student pays towards mess is more than Rs. 3000 per month as besides the monthly mess bill, a student also pays Mess Establishment Charge in the beginning of every semester.

Item No. 3	Action Taken Report
-------------------	---------------------

The Report on Action Taken for the previous Meetings of the Students' Senate was presented by the Secretary, Students' Senate for the consideration of the Senate.

In the course of the presentation,

- Chairman of Virtual Classroom Committee - Senator M Tech Y11, Abhimanyu M A requested the Senate to allow the committee to submit its report by the beginning of November, 2012. The request was granted by the Senate.
- Pratik Moona, the ex-student nominee to the HCUC informed that he had had a meeting with the Chief Medical Officer, but the meeting did not yield any positive results as the CMO seemed quite reluctant to make any major changes.
- The Chairman of the committee for looking into the monitoring of festivals requested that the committee be given time till the beginning of January to come up with the final report. It was noted that a meeting of the committee had taken place. Correspondingly, the following lines of the ATR were changed:
 - In Item 9, the line "The committee is scheduled to meet after 14th October, 2012" was changed to "The committee has met once. The committee is scheduled to meet for a second time after 14th October, 2012."
 - In Item 10, the line "No meeting of the SFMC committee has taken place." was changed to "No meeting of the SFMC committee has taken place since the decision was taken."
- It was remarked by the General Secretary, Games and Sports Council that the President or Convener was supposed to take up the issue of seeking additional funds for the Inter IIT Sports contingent.

The ATR, with the above-mentioned comments and changes, was accepted by the Senate.

- Further, the Senate opined that in principle all reports that are sent to the administration should be approved by the Students' Senate before sending. However, in case a report needs to be submitted by a student representative to the administration in an exceptionally small time-frame, he must send a notification and a copy of the report to the Students' Senate for noting after the submission.

Item No. 4	Ratification of the change in the members of the Gymkhana Golden Jubilee Team.

-------------------	---

The reports were presented by the Festival Coordinator, Antaragni'12 for the consideration of the Senate. The Convener informed the Senate that there was a miscommunication of the policy in question between the Convener and Antaragni'12, due to which they were unaware that all MoUs had to be submitted before the weekend before the festival. Thus, the Festival Coordinator requested that he be allowed to submit the final list of sponsors to the Convener along with the MOUs on Monday (8th October) instead of the earlier deadline of Friday (5th October).

The request was granted by the Senate.

Also, it was informed that the list of STF members could not be prepared in time for the meeting. Thus, it was decided that the same shall be circulated on the senate list. (The list of STF members circulated on the senate list later is placed on AP-1.)

" It shall consist of the President, the in charge Hostel Affairs, one SBRA Representative, Hall Presidents, and Mess Secretaries of every Hall of Residence and two Senators as Senate nominees. "

The proposed change is as follows:

Students' Senate

Indian Institute of Technology Kanpur

Ankit Bhutani | Convener

The members for COSHA are the President, Student Gymkhana (Chair), Convener, COSHA (Hostel-In-Charge), two senators as senate nominees, President + one mess secretary from each hall of residence, SBRA convener and one SBRA representative.

”

The proposed rules and procedures for COSHA as approved by the Senate are placed at AP-1.

A discussion on the closed-door nature of the COSHA meetings took place but the Senate could not reach a decision on keeping it closed door or open door. This discussion was deferred to the next Meeting due to lack of time.

Item No. 13	Presentation of the Revised Gymkhana Budget.
--------------------	--

Owing to the reduction of the matching grant, a revised budget allocation was proposed by the Finance Committee. The proposed budget as circulated with the agenda was accepted by the Senate. Further, regarding the distribution of SSF among Senators, the Senate decided that:

1. Each Senator elected through Gymkhana General Elections, 2012 held in February, 2012, referred to as old Senator in the submitted document and hereafter, shall have Rs. 15,500 and the maximum that he/she can contribute to a single Rs. 3875.
2. Each Senator, elected through Gymkhana By-elections, 2012 held in September, 2012, referred to as new Senator in the submitted document and hereafter, shall have Rs. 8500 and the maximum he/she can contribute to a single event is Rs. 2125.

As the above distribution is likely to cause a negative balance with some old senators due to the contributions made earlier, it was decided that the same would be taken care of by using the Buffer in the Gymkhana Budget as the total negative balance amounted to less than Rs. 5000.

Item No. 14	Discussion on the proposal for audit grade.
--------------------	---

The item was deferred for consideration in the next meeting of the Senate.

Item No. 15	Discussion on the proposal for mid-term reports by Senators.

--------------------	---

The questions were taken up for consideration one by one. The answers provided by the Convener are annexed at AP-2 to AP-4 and scanned copies of the relevant letters are placed at AP-5 and AP-6. Based on the discussion that followed the answers provided by the Convener, the senate decided

Students' Senate

that:

- The Convener shall discuss with the relevant authorities in Legal Cell of IIT Kanpur about the possibility of removing the restriction of age limit for PhD students for contesting Gymkhana elections and inform the senate accordingly.
- The Finance Committee shall supervise all the expenditures of Gymkhana Golden Jubilee and all the bills have to be approved by the FC before clearance. The Finance Convener was requested to make sure that all arrangements regarding forms are carried out at the earliest.

The President apologized for his technical mistake. He clarified that he was not the co-PI for the Gymkhana Golden Jubilee Project as communicated by him in the 4th Meeting of the Students' Senate 2012-13 held on 19th August, 2012. The money had been allotted with the Dean, Students' Affairs alone as the PI.

Item No. 17	Discussion on the proposal to reinstate the contingency grant allotted for Institute Assistantship granted students for the sum assured annually.
--------------------	---

The proposal was presented in detail by Senator, PhD, V. Srinivasan, for the consideration of the Senate. He informed the Senate that the contingency grant is no longer allotted to the students. He requested that the issue be taken up with the Administration to re-instate the contingency grant. The President, Students' Gymkhana was directed to pursue the matter with the administration.

Item No. 18	Discussion on the proposal to revise travel grant.
--------------------	--

The items were presented in detail for the consideration of the Senate. It was decided that the President would take up the request to revise the travel grant given for attending conferences.

Senator, UG Y9, Pratik Moona requested that travel to competitions of a scholastic nature where the students are representing the Institute also be included in the purview of the grant.

The President raised the issue of generation of the funds, asking the proposing Senators to provide some avenues for fulfilling the requirement.

An ad-hoc subcommittee was set up to finalize the amount they feel the travel grant should be increased to, work out other modalities related to allotment of funds (for example- different grants based on region of conference) and suggest some avenues for generation of funds. The committee consists of the following students:

These items were deferred for consideration in the next meeting of the Senate.

--------------------	---

The Agenda item was deferred for consideration in the next Meeting.

Item No. 25	Questions and Remarks, if any.

The Convener announced that he had received an extremely confidential Agenda item immediately before the convening of the meeting which needed to be considered. Upon request from the Convener, the following agenda item was discussed under closed door.

	Discussion on the complaint submitted by a Senator against the General Secretary, Games and Sports Council and any subsequent action to be taken.
--	---

The Convener informed the Senate that he had received a complaint letter from a Senator who requested anonymity for fear of revengeful action, pertaining to the behavior of Mr. Yuvraj Dhillon, General Secretary, Games and Sports Council. The Convener read out the letter (annexed with these Minutes at AP-7 and AP-8) for the consideration of the Senate.

Students' Senate

Indian Institute of Technology Kanpur

Ankit Bhutani | Convener

The complainant had accused Mr. Yuvraj Dhillon of bribery, indiscipline, causing disrespect to the Senate and misuse of power as the General Secretary, Games and Sports and had proposed a no-confidence motion against the General Secretary.

At the outset of the discussion, it was noted that a no-confidence motion required one senate member to propose and two senate members to second. Further, it was noted that due to the anonymity of the letter, the writer could not propose a no-confidence motion without revealing his/her identity.

Based on the discussion that took place, the senate opined that:

- The comments made by the General Secretary in the 2nd Special Senate meeting, 2012-13 which were taken as basis for charges of bribery by the complainant were not intended to bribe anyone but rather for humor. However, the senate opined that no matter in what spirit, such comments should not be made on the floor of the Senate.
- Further, the senate opined that indeed the behavior of the General Secretary on the floor of the senate was condemnable and he had been responsible for creating indiscipline in senate meetings.

As nobody in the Senate agreed to propose or second the no-confidence motion suggested in the complaint letter, the no-confidence motion was dropped.

Senator, UG Y9, Aman Haji proposed a censure motion against Mr. Yuvraj Dhillon, which was seconded by Senators, UG Y9 Jyoti Gupta and Pratik Moona and Senator UG Y12, Chirag Gupta. A vote by secret ballot was held, following which, the censure motion was passed by simple majority.

The Senate has censured the General Secretary, Games and Sports Council for:

- The comments made by him in the 2nd Special Senate Meeting, 2012-13 offering treat and getting attendance marked present in PE.
- His general behavior on the floor of the senate causing indiscipline and grave disorder in the senate proceedings.

	Discussion on the request to hold a senate meeting in the week following Antaragni to finish the pending agenda items of the meeting
--	--

The Convener accepted the request from several Senators to hold a senate meeting in the week following Antaragni to finish the pending agenda items of the meeting.

The meeting was adjourned by the Convener, Students' Senate at 1:30 AM

Supporting documents for Agenda item no. 16: Questions asked by Senator, Ph. D – Mr. Pawan Kumar Nagar and the answers provided by the Convener, Students' Senate

Question A. The Lyndogh committee recommendations for age restriction is applicable only in institutes where political parties/student union participate in Student body elections (like ABVP, BCSO supported students). However, in IIT Kanpur no such political parties are involved in Student body election.

Answer A. Lyngdoh Committee report – page 38, line 1 clearly mentions that “It is to be noted here that the Recommendations No. 3 through 10 will apply to all modes of student elections.” The eligibility criterion for candidates comes under recommendation number 5 and hence applies to all modes of student elections. Further, no separate document or any guideline within the report has been found mentioning that these recommendations shall be applicable only for institutes where political parties/student union participate. However, if any such official document which supports this claim can be brought to the notice of the senate, I am sure the senate shall be willing to re-consider.

Question B. It is very heartening to know that the institute has approved Rs.1.5 crores for Gymkhana Golden Jubilee celebrations. Pls provide me the copy of the proposal which was submitted to the institute and also provide me copy of all the official communication /letter/office order through which the amount was sanctioned by the institute.

Answer B. A copy of the proposal that was submitted is available at

<https://docs.google.com/viewer?pid=explorer&srcid=OB4G98M18QVgLX2lRZl0zZGYZLUk&docid=d0e7ff7ff514fb5472fecf8c0dcb01f4%7C6620bdf2f3213468622e7e9ad6c0c8ca&chan=EgAAAN2BKUhRifP8rn%2BGmuiLitOEAIRquMRq2Q9zAFEOuqc1&a=v&rel=rar;r42:Golden+Jubilee+Proposal.pdf>

Further, a scanned copy of the 2 letters through which the amount was sanctioned has been placed on AP-5 and AP-6

Question C The sanctioned budget for Golden Jubilee is *for gymkhana (50 years celebration)* which should be spent by the various executive wings of the gymkhana and not by the president alone which is similar to the expenditure process of annual budget of the gymkhana. So, why this process is not followed. Kindly provide details of any office order which clearly mentions that the president alone can decide the expenditure and allotments and also under which clause of student gymkhana constitutions it has been mentioned that the students senate can form any such committee like the golden jubilee executive committee.

Answer C A project has been setup under the Dean, R & D for Gymkhana Golden Jubilee with the Dean, Students' Affairs as the PI. The money is being spent by all the councils and not by the

Students' Senate

President alone. However, being the Chief Executive of the Students' Gymkhana, the President is entrusted with the ultimate responsibility of execution of all activities under the name of Students' Gymkhana. Further, the President has the right to provide his recommendation regarding the distribution just as anyone else in the Senate, but the final allocation has to be approved by the Senate. The same was carried out in the 2nd Special Senate Meeting.

The Golden Jubilee Committee has been setup under the Presidential Council to assist him in the successful organization of Golden Jubilee Celebrations. Article 5.04 a) of the Gymkhana Constitution states that "The aim of the Presidential Council shall be to help the President in discharging his/her duties and any other duty assigned by the Senate."

Question D: As per the following clause in the gymkhana constitution, *4.04 Finance Committee (FC)

a. The Primary aim of the Finance Committee is to manage the finances of the Students' Gymkhana, and it shall control and supervise the expenditures incurred by the executive wings of the Gymkhana. It shall report to the Senate of Finances and Accounts periodically, as prescribed by the Senate.*

14. Payments will normally be made if the executive concerned verifies a bill and it has been examined by the FC and approved/accepted *(as mentioned in Appendix II)*Does the current FC supervise and approve the expenditures of the Golden Jubilee Fund as the president who is spending it now is under student gymkhana and is an head of executive wing of gymkhana. Kindly provide supporting documents with regards to your answer..

Answer: As of now, the Finance Committee has informed that they have not received any bills so far. However, in principle, all bills have to be approved by the Finance Committee. The Finance Committee has been requested to make sure that this procedure is strictly followed.

Question E: Who is responsible for any discrepancy in the expenditures and mismanagement of events in the golden jubilee. Kindly provide supporting documents which clearly mentions the responsibility

Answer: As in all matters of Gymkhana, the policy decisions are always taken by the senate and the complete legislative responsibility associated with the decisions lies with the Students' Senate. The responsibility to control and supervise the finances lies with the Finance Committee. Also, it is the

Students' Senate

Indian Institute of Technology Kanpur

Ankit Bhutani | Convener

AP-4

responsibility of the Finance Committee to point out to the Senate any discrepancies that they find out regarding the expenditures which are being approved by it. Finally, the responsibilities related to all the executive work lies with Golden Jubilee Committee, President, Students' Gymkhana and concerned executive in case of work related to a particular council.

Question F: Why was the expenditure on the opening ceremony was not ratified and shared to the general body members prior to the event. Kindly provide supporting documents which clearly mentions that the president can spend on an event prior to ratification of the budget and upto what amount.

Answer: As the allotment of Rs. 5.5 lakhs was made specifically for the opening ceremony of Gymkhana Golden Jubilee (ref. letter at AP-5), hence this was allowed only for the opening ceremony. All the rest of the distribution had to be approved by the Senate and this approval was carried out in the 2nd Special Senate meeting.

Supporting Document: Complaint letter against Mr. Yuvraj Dhillon

To,

Convener, Students' Gymkhana, IIT Kanpur.

This is a complaint against Mr. Yuvraj Dhillon, General Secretary, Games and Sports Council for bribing the Senators and getting votes in his favor by offering to misuse his power as the General Secretary, Games and Sports.

In the 2nd Special Senate meeting, at a time when contention was being made as to whether discussion over the financial procedure should continue or not in the absence of any finance committee members, Mr. Yuvraj offered the junior senators a treat if they allowed the discussion to continue. His exact wording were "Yaar mujhse treat le lena, abhi ise discuss kar lo" Also, this must be noted that 11 out of 33 senators voted in favor of discussion which involved a significant number of junior senators. It is worth noting that he also gave a treat to the Junior Senators in the Hall 4 immediately after the meeting which reflect him fulfilling the bribe offered in the meeting.

Further, around 1:10 am while the issue of mid-term reports was going on, 2 1st year UG Senators asked for permission to leave the Senate citing reason that they have a PE class at 6 am in the morning. At that time, he even went to the extent of offering them to get their attendance marked in the PE class if they would stay back and continue the discussion on the issue. I would like to point that Mr. Yuvraj Dhillon, being the General Secretary, Games and Sports Council stays in touch with a lot of coaches and definitely enjoys a lot of control over them. Such an offer to 1st Year UG Senators is wrong on 3 grounds:

1. As pointed out by the Gymkhana Convener in the previous Senate meeting, it is wrong to teach the 1st year students to miss their class.
2. It is a blatant show-off of the power as the General Secretary, Games and Sports, as his wordings were "Abey Thodi der baith Ja, PE mei attendance main lagwa doonga coaches ko bolkar"
3. Much more than anything else, it is bribery on the floor of the Senate to achieve hieinous political aims.

This shows the politics played by the General Secretary in the strongest possible light. Mr. Yuvraj Dhillon has been trying to misuse the Senate in numerous other ways earlier also which is absolutely clear by the indiscipline created by him on the floor of the Senate. Also, he has been consistently trying to make a mockery of the Senate by manipulating things and showing himself as an entertainer. But now, the water has crossed the head as he has

Students' Senate Indian Institute of Technology Kanpur

Ankit Bhutani | Convener

AP-8

offered bribe in terms of treat and attendance in an academic work openly on a forum as democratic and as formal as the Senate itself. He has caused blatant insult to the Students' Senate which has a lot of respect in the Faculty as well as old alumni. It is only due to students on high positions like Mr. Yuvraj trying to lobby each time in the Senate meeting and possibly bribing the Senators outside of the Senate that the respect of the Students' Senate has gone down. People in high positions are trying to use the Senate as their special toy to play dirty politics and achieve heinous political aims.

I request the Senate to take up this issue with utmost seriousness. I would suggest the Senate to forward this issue to the Disciplinary Committee of the institute. As Convener and President are ex-officio members of the the disciplinary committee to the best of my knowledge, I request that they be not allowed to attend the disciplinary committee meetings regarding this issue and 2 members from the experienced Senators be selected to represent the students' senate in the meeting.

Further, having committed such crimes, any sane executive would have had the shame to resign immediately. But considering, the shameless person that Mr. Yuvraj is, I would like to table a no-confidence motion against him immediately. I hope that there are still some honorable Senators in the Senate to second my motion. I see no way other than the whole Senate being bribed that Senate allows Mr. Yuvraj to continue.

As pointed out by the Convener in the previous Senate meeting, it is time to reach the 100 students to raise their class.

2. It is a blatant show-off of the power as the General Secretary, Convener and Sports in his writings were "Dear Thakurji" and "Hi Mr. Thakurji" which made some people uncomfortable.

3. Much more than anything else, it is bribery on the part of the Senate to achieve heinous political aims.

This shows the politics played by the General Secretary in the strongest possible light. Mr. Yuvraj Bhutani has been trying to mislead the Senate in numerous other ways which is absolutely over by the indiscipline created by him on the floor of the Senate. Also, he has been consistently trying to make a mockery of the Senate by using the name and showing honor as a member but now, the water has reached his head as he has
